

From the Chief Editor

Volume 1, Issue 1, 2025

We are happy to launch the first issue of *The Spring Chronicle*, a quarterly online magazine for scholarly and popular articles for the learned audience. This initiative is part of *S & S Knowledge Partners*, an EduTech firm aimed at promoting and sharing specialized knowledge topics in Science, Technology, Engineering, Humanities, Social Sciences and Mathematics. We're of the view that there is a need for a platform for the expression and sharing of views, perspectives, opinions and analysis by experts on contemporary and historical topics for the benefit of the audience.

We're indeed thankful to Prof. Pramod Gai, the former Vice-Chancellor of Karnatak University and the current Director of Karnataka Institute for DNA Research and his co-author Dr. Suyamindra Kulkarni, Acting Vice-Chancellor of Raichur University, Prof. P. M. Patil, FNASC, FKSTA, KLE Tech University, Prof. B. A. Kagali, Professor (Retd) of Bangalore University and President of Karnataka Physics Association and Prof. B. H. Nagoor of Karnatak University with co-author Mr. Prasanna Surathkal who have kindly contributed articles to this first issue of 2025. We appreciate their encouragement to us. I take this opportunity to thank our Associate Editor Prof. Shivakumar Nyamathi and Prof. Tonannavar for their support, and in particular, Managing Editors, Mrs. Soumya and Dr. Sanketh for hard work to make this online project possible. We hope our prospective readers would enjoy reading articles.

A Very Happy New Year 2025 to all!

Dr. Jagdish Tonannavar
Chief Editor

About the magazine:

The Spring Chronicle is an online magazine for publishing articles on Science, Mathematics, Technology, Engineering, Humanities and Social Sciences for the learned lay-audience. We're a group of academics committed to sharing knowledge in

terms of articles contributed by scientists, scholars and experts. The articles, mostly popular, will cover perspectives (historical/contemporary interest), views and opinions by way of scholarly elucidation and thereby they would enrich people's understanding.
